WELCOME FROM DEPAUL UK'S CHIEF EXECUTIVE

At Depaul UK we think that when you have a safe, supportive place to live, it can set the foundation to build your future.

We understand it may be a bit strange and different when you move somewhere new but we will do all we can to help you to settle in.

You can expect the staff and the people who volunteer with Depaul UK to be there for you, helping when you need it and ensuring the place you are staying is safe.

You will have your own named Progression Coach at Depaul UK. They are here if you want to talk about any challenges you face and they will help you set a plan for moving forward.

All of your suggestions and comments are really welcome and we will use them to help make our services even better.

Best wishes,

OUR PHILOSOPHY OF CARE

Welcome.

We are glad you are here.

Here in this place you can take steps towards a better future.

You will lead the way.

We will ask, listen and help.

We will work and walk with you.

Welcome!

Depaul UK is part of Depaul International, a group of charities working to support homeless and marginalised people around the world.

The entire Depaul International Group has developed a Philosophy of Care that shows how we put our values into action with homeless people.

OUR VISION, MISSION AND VALUES

Depaul's Vision

Our Vision is of a society in which everyone has a place to call home and a stake in their community.

Depaul's Mission

Our Mission is to end homelessness and change the lives of those affected by it.

Depaul's Values

- We celebrate the potential in people
- We put our words into action
- We take a wider role in civil society
- We believe in rights and responsibilities.

OUR SERVICES

Depaul UK offers supported accommodation, learning and development opportunities and a variety of information, outreach and resettlement services to young people who are homeless or at risk of homelessness.

Our services are available to anyone who is assessed as needing them and who meets criteria set by the Local Authorities we work with.

We believe in potential, not problems, and we encourage young people to see past their current situation and work towards a successful future.

Some examples of our services include:

- Supported Accommodation
- Resettlement and Move-On
- Housing Advice
- Family Mediation
- Nightstop
- Prison Resettlement
- Volunteering Opportunities
- Help with Education, Employment and Training

Depaul UK also offers a range of opportunities and additional support to everyone accessing our services. You can benefit from programmes like Steps to Success, which provides support into Education, Employment and Training, and take part in Client Involvement initiatives to develop your skills and help us improve the organisation, as well as a variety of local activities.

To find out more about any of our services please visit www.depaulcharity.org.uk or ask any member of staff.

PREVENTION SUPPORT

Depaul UK is committed to preventing young people from experiencing homelessness.

We offer a range of prevention services across the North East, London, Greater Manchester and South Yorkshire including:

- Family Support and Mediation (Reconnect)
- Housing Advice
- Counselling (MindConnect)
- Emergency Accommodation (Nightstop)

We also work in schools helping young people to understand youth homelessness and know where to get help from if they ever find themselves without anywhere safe to stay.

Our staff are fully trained to understand your needs and be able to support you and prevent you sleeping in unsafe places. They will talk to you to understand your situation and provide help and support as well as referring you to other services that may be able to help if you want them to.

Our prevention services aim to help you rebuild family relationships so that you can stay at home or if that isn't possible, help keep you safe with emergency accommodation whilst we help you look at your housing options.

We will help you set your own goals and understand the steps you need to take to reach them.

Each service will have its own local guide, explaining more about how they will work with you and what you can expect from us.

- Neglect: failure to meet basic needs, for example not providing food or adequate clothing
- Sexual: unwanted sexual contact including sexual conversations or comments, or feeling pressured or coerced to do something sexual that you are not comfortable with, such as touching, kissing or more
- Discriminatory: name calling or treating someone less favourably because of their race or ethnicity, gender, disability, age, sexual orientation, gender reassignment, religion or belief

Most people will not abuse you, but, potentially, anyone could.

Abuse could come from someone you know like a friend or family member, a professional like a doctor, social worker or DePaul UK staff member, or from a stranger.

Reporting Concerns

People who are being abused are often too scared to speak up.

You could tell a friend, a family member, a doctor, a nurse, a social worker, an aftercare worker, a probation officer, the police, or any member of staff at Depaul UK.

We may have to share information you give us with other people if there is a risk of harm.

If you would prefer not to speak with us you can contact your Local Authority Safeguarding Team.

EQUALITY, DIVERSITY AND INCLUSION

Depaul UK aims to promote environments and communities which are respected, inclusive, celebrated and free from unlawful discrimination, harassment and bullying.

We believe that everyone should be treated fairly and are committed to ensuring that our services and opportunities are accessible for all.

We recognise that treating people fairly does not mean treating everyone the same. We believe no one should feel excluded or be discriminated against because of their:

- race and ethnicity
- gender
- disability
- age
- sexual orientation
- gender reassignment
- religion or belief
- marital or civil partnership status
- pregnancy and maternity.

These nine areas are called “protected characteristics” and are legally protected by the Equality Act 2010.

If you feel that you have been treated unfairly or discriminated against, you can:

- Talk to any member of Depaul UK staff
- Make a formal complaint
- Speak to your parent, social worker, youth worker or any other profession
- Report it to the police

We want to make sure that the organisation benefits from your expertise by empowering you to have a role in every level of decision-making, from those that affect your own support plan to the plans and decisions Depaul UK makes.

Your Feedback Really Matters to Us

We want to provide the best possible services to you. We can only do this by listening to, and acting upon, the feedback you give us. We are committed to developing a number of opportunities for you to give us your feedback and views.
